

Joy Shop - "I Sit With My Magic Pen!"

I sit with My magic pen and direct the Universe to what I want!

I ask to identify My daily intentions from the Universe!

I ask for ever expanding abundance of what I want!

I ask that My feelings, imagination and thoughts go beyond where they have gone before!

I now focus on higher energy that matches My broader perspective and the clarity of the Universe!

I ask for and expect new and exciting paths to My desires today!

I have a ceaseless and uncompromising desire to stay focused on what I want.

I ask to be led by the loving impulses of the feeling Universe to guide Me today.

I thrill to this day and the accomplishments of Me, the Deliberate Creator that I am!

I have the intent to have a happy, healthy, long and prosperous Life!

I desire to feel good and rendezvous with My Source!

I desire to have more money that I have any sensible use for!

I desire to channel purely and fully with My Inner Being and All That Is!

I feel Your presence and presents with Me!

I desire to improve My health and feel and look younger and allow the Well-Being of All That Is to fully flow to Me and through Me!

I desire to have deep meaningful, inspiring and uplifting relationships!

I desire to have the best sex and to have it often!

I desire to be in the THE ZONE easily and frequently...just like I am now!

I desire to expand My imagination and dreams of desires I want like never before!

I desire to expand My happiness, freedom and growth!

I desire to know what I want and then to experience what I want!

I desire a thriving Life and Business that makes My heart sing!

I want to know what I want!

I am now being answered and My clarity is becoming clear and pure on what I want!

I want to have fun, excitement, joy and experience that which makes My bell ring!

I want to feel and sense My Source with Me today!

I want to have the most wonderful day!

Today I have let go like never before and allow Spirit, My Broader Perspective and Inner Being to guide Me to My desires :)

Guide Me today, guide My feelings, guide My thoughts, guide My senses and guide My heart...I feel Your Presence :)

I am gentle, soft, kind and a Master at Manifesting that which I want!

I call upon My Cooperative Components and non-physical Compadres to lead Me to My desires!

I look for where the inspiration leads Me!

Words cannot explain how My feeling happy each day is the greatest of all!

I now offer My undivided attention and non-resistant thoughts to those subjects that interest Me!

I am interested in feeling and looking younger every day!

I am interested in being happy! I am interested in having a thriving Life! I am interested in having good health. I am interested in having a thriving business! I am interested in having deep and meaningful relationships! I am interested in being in a state of pure allowing My desires to flow powerfully to Me!

I ask and now speak from Infinite Intelligence and allow the perfect feelings, thoughts, words and deeds to flow to Me powerfully, easily and eloquently today!

You are with Me! I feel Your wind at My back! I feel so sure, so confident and so happy!

I am going to see amazing and exciting things at play for Me today!

I love know that everything is back Me, supporting Me, loving Me and taking Me to My dreams today!

I allow My feelings to guide Me and My emotions to show Me the path!

I ask for more clarity, understanding and enlightenment today!

Today I allow Source in like never before!

I have convinced Myself of the Creator that I am!

I PAUSE...and find My highest intention during the day!

I have struck it rich! Things are going My way today!

I am a Master at manifesting that which I want!

I now invite My desires to Me!

I appreciate all that I am, All That Is and all that I become this day as I align and allow My Source to bring Me My desires on a golden platter!

I am now a cooperative component to Me and My desires.

All That Is now walks before Me, clearing My path to My desires.

Today I let go like never before and allow the loving impulses of My Source to guide Me and lead Me to ever better feelings, thoughts, experiences and manifestations! I love Us all and so appreciate Us!
